

Here is a little checklist I have been working on. It seems to be coming along and working pretty good. This one is for a Cedar Creek 5th wheel. I added some comments in square brackets [] for items that might not be clear. It can be adapted for most any RV. If you have one you can share let's see it.

## Planning

- Have house checked
- Mail arrangements
- Make reservations
- Map route
- Set up lawn service
- Pay bills

## Preparation

- Check propane
